NOTE FROM THE PRINCIPAL...

Congratulations to this year's spelling bee champions - Hayden in Mr. B's class and Devin in Mr. Law's class. They have completed the county written test which is being sealed and sent to the Placer County Office of Education for scoring. We will know if they qualified for the county bee by early February.

When students are absent from school, we are required to record a reason for each absence by that month's reporting period. Many parents call the office to report their children's absences - even before the school day begins. Office clerks Michelle and Sheri have been calling and/or sending emails to clear (record the reason) the absence.

If your child is absent from school, the School Messenger system will call you at 10:00 AM. If you answer the call and press 0, you may leave a voice message to report the reason for absence. You will also find absence reporting options on our school app and school website.

Thank you for promptly reporting your child(ren)'s absence(s). Unfortunately, if we do not hear from you by the time we need to submit our required monthly absence reports, we have to record the absence as unexcused.

Each district in California was required to adopt a smart snack policy for all food offered or sold at school. This includes food at classroom parties, students' birthday celebrations at school, and food sold for consumption at school by K Kids, PTO or any other organization selling food. The policy is different than what we've done regarding parties in the past - please click on the link [here](#) to get more information. If you have any questions please contact your child's teacher, the office or the food services department.

Don't forget to clip and save your box tops. The final day to turn in box tops for our second submission is on February 7th

Remember to put your child's teachers name on the bags so they can be counted and in the running for the contest.
