Bucketfiller Activity for the Week:

Make sure someone is felling ok!

NOTE FROM THE PRINCIPAL...

Students have been rehearsing their dances for six weeks, and they are excited to perform tonight and tomorrow. Please see the schedule below to learn when your child performs. Thank you to Mr. Smithson for setting up his sound/speaker system to ensure quality sound for the shows. Thanks to parents for supporting your children during the rehearsals and at tonight and tomorrow's shows.

I have been working with Janet Hecsh, a professor from Sac State, to refine teacher feedback during the walkthrough process. Indicating that she has been to many schools, including other schools in WPUSD, Ms. Hecsh is very complimentary about Foskett Ranch. She notices positive staff/student, student/student and staff/staff relationships during her visits on campus. Kudos to students, staff and parents for your commitment to creating and cultivating a great environment for students to learn and grow.
