- 4/7 - "Father/Daughter" Dance  
6:30 - 8:00 PM
- 4/10 - PTO Meeting 6:30-7:30

## NOTE FROM THE PRINCIPAL...

Last night we had a PTO (Parent Teacher Organization) meeting. Prior to the meeting, many students participated in a tile painting project. Their tiles will be fired in our kiln and added to our tile wall in front of the school.

At our PTO meeting last night, we learned that the final proposals and contracts for the front gate push bars are finished, and work on the project should begin shortly. We also approved funds to purchase an additional mobile Chromebook lab for students. Thanks to PTO who is supported by you all, we have been able to add two mobile Chromebook carts for grades 1 - 5 and two mini labs (one for science and the other for kindergarten).

Our third quarter awards ceremonies take place on March 23rd. Please see the important dates section of this newsletter for the specific times. All the ceremonies will take place in the multipurpose room.

The lost and found area has grown with items such as jackets, lunch boxes, mittens, water bottles. Please remind your child to check the lost and found for missing items before March 23rd. Unclaimed items will be donated to charity after that date.

### Early Engineers / Firefly Art Classes

Early Engineers (LEGO) Classes  
Monday: 1:50-3:00pm

Room 103

Session D: 4/16, 4/23, 4/30, 5/7, 5/14, 5/21
