- 9/15 Fall Family Night
- 9/19 & 9/20 Fall pictures
- 9/21 Cookie Dough Fundraiser  
kickoff

## NOTE FROM THE PRINCIPAL...

Tomorrow evening is Back to School Night. It is an evening designed to learn about the routines and procedures in your child(ren)'s classrooms. We begin the evening in the cafeteria for general information and to introduce the staff. Classroom presentations follow. PTO will have a booth at the event where parents can purchase last year's spirit wear at a discount or order new spirit wear. Please note that this evening is not designed to discuss individual students. Teachers and I are happy to schedule follow up conferences with you for that purpose.

After the classroom presentations, we will have a quick Fort Bragg meeting for parents of fifth graders. This will be a mandatory meeting for those that would like to sign their children up for this voluntary trip. It is also a meeting for those that would like to participate in the butter braid fundraiser. Profits from the butter braids your child sells will go directly to his/her account. Thank you to Ms. Anderson for organizing the butter braid fundraiser.

If you attended the mandatory Fort Bragg meeting last Spring, and you do not wish to participate in the butter braid fundraiser, you do not need to attend the Fort Bragg meeting tomorrow.

We have relocated the bike racks to the area just inside the front gates. When the bike racks were located on the blacktop, we opened the back gates to allow bike riders to easily leave campus. Since we no longer house bikes and scooters there, the back gates will remain closed during dismissal as we do not have supervision for that area.

I look forward to seeing you tomorrow night!

### Bucket Filler Assembly

This Friday is our first student assembly. Mr. Nickel will visit us again to reinforce the bucket filling concept. We integrate this concept into our daily routine. For more information visit [bucketfillersforlife.com](http://bucketfillersforlife.com)

### Scooter and Bicycle Riders

Please remember that if students are riding their bikes, scooters, or skateboards to school they should have a helmet. The office has several helmets courtesy of Lincoln Police. If your child is in need of a helmet please contact the office.

### Drop Off/Pick Up Procedures

**South Parking Lot (near the multipurpose room)** - Parents driving students to school use two lanes of the south parking lot (near the multipurpose room) to drop off/pick up students. We ask that parents of students in grades K - 2 use the lane closest to the multipurpose room. Please pull up to the front of the lane before allowing your children to exit/enter the cars. Students using the lane closer to Joiner Parkway proceed to the crosswalk (using the sidewalk) and wait for a supervisor to cross them onto campus.

**North Parking Lot (near the Kindergarten playground)** - There is one drop off lane in the north parking lot when buses are not dropping off or picking up students. Please pull forward to the sign that indicates the beginning of the drop off lane and drop your child off at the curb. The curb is for drop off only; please drive away after your student exits the cars. The bus has priority in the north lot.

If you would like to observe your child walking through the front gates or into the Kindergarten classroom, we need you to park and escort him/her to that area to allow the drop off/pick up lanes to run efficiently.

Thank you for helping us to maintain a safe and orderly procedure.
